

## LOCAL NEWS.

R. at Roanoke, were appointed a committee to memorialize the legislature to enact suitable laws to regulate the transportation of dead bodies over railroads, &c.

Mr. J. E. Pierpont is quite ill at his home on Cameron street.

**CORPORATION COURT.**—Judge J. K. M. Norton, presiding—Pena vs. Chaucery; judgment; demurrer; demurrer overruled and exceptions noted.

Administration upon the estate of J. E. Johnson was committed to Annie E. Johnson.

An order was entered granting permission to the First Baptist Church to sell certain property.

Harry Javins and Ed. Miller, indicted for breaking and entering an outhouse, plead guilty of petit larceny and were sentenced to serve two months in jail.

Com. vs. Mary C. Smith; motion to revoke liquor license argued, and Court took matter under consideration on a constitutional question.

**ATTACKED BY TRAMPS.**—As Mr. J. M. Griffin, who lives with his father-in-law, Mr. J. O. Kerby, across Hunting Creek, was on his way to this city early on Wednesday morning he was attacked by two tramps and had some difficulty in making his escape, one of the men cutting at him with a knife which cut his coat. The next morning Mr. Griffin was accompanied to this city by Mr. Kerby, but saw nothing of the men. On the following morning, however, while alone, Mr. Griffin was attacked near the same spot as on Wednesday by three men, two of whom approached him from the rear while the other advanced upon him from the front. The men threw stones at Mr. Griffin, who drew a pistol and fired several shots at them, chasing them off. The next day warrants were sworn out and put in the hands of the proper officers who are investigating.

**FUNERALS.**—The funeral of the late Mrs. Sarah A. Wedderburn took place from Christ Church this evening at 2 o'clock. The services were conducted by Rev. H. Suter and the pallbearers were her grandsons—Augustus and George C. Wedderburn, Jr., and Messrs. J. D. Hoot, Graham Hill, W. H. Beckham and Powell Snowden. The remains were interred by the side of those of her husband in the family lot in the old Methodist cemetery.

The funeral of Mrs. George L. Robinson took place this morning from her late residence on south Henry street and that of Mr. Henry Mill on this evening from his late residence on south Alfred street. Both funerals were largely attended.

**REVIVAL.**—Considering the inclemency of the weather the congregation that greeted Rev. F. P. Robertson, of Martinsburg, at the Baptist Church last night was a most excellent one. Nor were they disappointed in going, for Mr. Robertson showed himself to be a man of a fervent preacher. His theme was "The Christian's Heritage," text, I Corinthians, 3:21, "For all things are Yours." The sermon was strong in thought from beginning to end. The meetings at this church will continue every night this week, and Mr. Robertson will remain and preach. All are invited to come. The sermon to-morrow (Wednesday) night will be particularly to railroad men.

**POLICE REPORT.**—Last night was cloudy and rainy with seven prisoners and one lodger at the station house.

The Mayor this morning dispensed of the following case:

Samuel Hudson, arrested by officer Henry charged with being drunk on the street, was discharged for want of evidence.

Asbury Bell, colored, arrested by special officer Smith for being drunk and disorderly was fined \$2.50.

Henry Kuzile, arrested by officer Battis on the charge of insanity, was committed for further examination.

Thos. Travers and Wm. Bradley, arrested by officer Price for disorderly conduct, were fined \$1.50 each.

Sarah Alexander, colored, arrested by officers Hayes and Jones for disorderly conduct, was fined \$1.50 or given 30 days at the work house.

Seamus Wright, colored, arrested by officers Taylor and Brenner charged with disorderly conduct, was discharged.

**FIRE STRAMERS.**—The two magnificent steamers now being built at Wilmington, Del., that are to revolutionize the Potomac river traffic were inspected yesterday by a committee of the company owning them as they lay in the stocks. They are said to be two of the fastest boats of the class ever turned out from the yard. Both will be launched early in December and it is expected they will be ready to run regularly on the river by March 1. The third or fourth boat of the company has not yet been begun. The first two boats will cost half a million dollars.

**TARRIED TOO LONG ON BOARD.**—A young gentleman of this city escorted some ladies aboard the steamer Sue Sunday afternoon, but tarried long enough on the boat for the lines to be cast off and the prow pointed down the river. Upon realizing that he was on his way to Baltimore he impudently begged the captain to make a landing somewhere, but was told that the next stop would be Glymont. After proceeding a short distance a sailboat owned by an Alexandrian was hailed and the accidental passenger transferred to it.

**ANOTHER CHARTER.**—Judge Norton has granted a charter to the Columbia Roll Paper Holder and Cutter Company. The objects of the company are to manufacture and sell paper holders and cutters, paper, &c. The capital stock is to be \$100,000, divided into 1,000 shares of \$100 each.

vided into shares of \$100 each, and the principal office is to be in this city. The officers are: D. W. Middleton, president; W. D. Middleton, secretary, and E. C. Ford, treasurer.—b. of Washington.

**SUDDEN DEATH.**—Mrs. May Oliver, wife of Mr. J. Frank Oliver, of Baltimore, and daughter of Mr. Rudolph Massey, died suddenly in this city this evening at the residence of her brother-in-law, Mr. Harrison Kirk, Jr. Mrs. Oliver was in the city on a visit, while her husband was in Roanoke on business, and was yesterday apparently in excellent health.

**ANNUAL INSPECTION.**—The annual inspection of the Alexandria Light Infantry was held at the armory last night, when the company passed the best inspection since its organization. Fifty-seven men were present, but two absent without leave and six on furloughs. The company was drilled by Capt. Musbach and the men acquitted themselves most creditably.

**PROPERTY SALES.**—Mr. J. T. Nails, for the First Baptist Church, has sold the house No. 212 south Patrick street to Miss Lizzie Doran for \$1,225. Mr. Nails has also sold for Mrs. Jonas Fisher her house on the east side of Columbus street, between King and Prince, to the First Baptist Church for \$3,200.

**TO BE WRECKED.**—The steamer Virginia, of the Maryland ferry line, has been purchased by Mr. W. S. Moore, who will break her up. The steamer brought \$100, and the debt which had accumulated on her aggregate \$700. Thus the directors have been left to pay \$600.

Too much care cannot be taken by residents of this city in closing their cellar doors at night. Last night one was left open near the corner of King and Washington streets, and a gentleman fell into the cellar and was quite badly hurt.

Fathome Division, No. 8, U. S. E. K. of P., under the command of Capt. S. L. Monroe, and headed by the Drum Corps, will leave here on the 7:05 train to-morrow morning for Hagaztown to visit the fair there.

**GALVESTON, TEXAS, March 10, 1888.**  
A. Behrends, Agent for William Radam's Microbe Killer:

Dear Sir—I have been suffering for years with a complication of diseases which originated from a diseased liver. I had dysentery, bloody flux and internal tumors. I consulted some of the most eminent physicians in the city and used their medicines for a long time without getting any relief. I was finally given up to die, when a friend advised me to try the Microbe Killer. As the last resort I gave it a trial, and the relief it gave me was wonderful. When I commenced to take the Microbe Killer I only weighed eighty-six pounds; my present weight is one hundred and forty-six pounds, and I am restored to my usual good health.

JOHN W. DERRICK.

Sworn to and subscribed before me this tenth day of March, A. D. 1888.
